

Wehr Nature Center Camera Club Newsletter

Spring is here! Another sign of spring is that the migratory birds are coming back to Wisconsin on their way further north. I saw a few loons in Pardeeville recently.

We will continue to meet via zoom as the Nature Center Building, and specifically, the classroom, are not yet open. The link is in the email to which this Newsletter is attached. Zoom is a video conferencing platform that is easy to use and accessible from numerous devices from PCs to laptops to smartphones. If you don't have video capability, you can attend by phone and just have audio. Optionally, you can watch on your device and use your phone for a speaker/microphone. Best Buy, and other retailers, have good microphones starting at \$20. The phone number to join our meeting is 1-312-626-6799. You will still need the meeting ID and the password that is listed in the email.

If you have questions or problems attending by zoom, call me at 414-430-3693 and I will help you.

April Meeting: April 10th at 9 am, via Zoom. Meeting ID and password are in the email accompanying this Newsletter.

If you feel a friend would be interested in this meeting, please share the zoom information with them so that they can attend the meeting also! All are welcome.

Please email your images to Linnea Matthiesen at Trekkielaw@aol.com AT ANY TIME!
