

**Welcome to February!** With this unusually warm winter, I hope everyone is getting out to take photos. I also hope everyone is meeting their Photography related New Years Resolutions. I have not but, that is another story. There is a lot going on at WNCCC so, please read this Newsletter thoroughly and carefully.

We will continue hybrid meetings for a while. Members can attend either type of meeting as they feel comfortable. The zoom link is in the email to which this Newsletter is attached.

**February Meeting: February 10th at 9 am.** Scott McNeil will present on a very timely, but weatherly, topic of Snowflake photography.

Scott McNeill is a long-time resident of Lake County and is a member of the North Shore Camera Club. He has been making photographs for over 50 years.

Scott considers himself a “generalist” photographer. As another photographer once said, “he likes to photograph what is in front of his camera lens.” The subject might be an eagle in flight, a snowflake on a winter’s day, a colorful flower, a bee, a water droplet, fireworks, his grandchildren, etc. There are always moments to be captured.

Learning how to see possible new photographic opportunities, utilize his camera equipment and share his knowledge with others are key goals for Scott.

Sheila Donoghue and Geri Leahn are to share 5 to 10 images this month. Please email them to me or bring on a flash drive.

**REMINDER!** Dues are due for 2024. Please pay Sheila Hall at the meeting. The amount is \$20 for the upcoming exciting year. Because we had to have the January meeting on zoom, this will be the first time many are able to pay their dues. **Dues need to be received by February 15<sup>th</sup> to participate in the WNCCC competition by.** You may mail your dues to Sheila Hall, W312 S8899 Cherokee Pass, Mukwonago, WI 53149, if you cannot attend the February meeting.
