

**Wehr Nature
Center
Camera Club
Newsletter**

Fall is coming in fast. The temperature is starting to drop, even though it has been warm. I hope with the above average temperatures, everyone has been able to get out and take pictures of the fall colors.

The Nature Center has announced that we are being allowed back into the Gardner classroom!!! However, MASKS AND SOCIAL DISTANCING ARE REQUIRED! We will continue hybrid meetings for a while. Members can attend either meeting as they feel comfortable. The zoom link is in the email to which this Newsletter is attached.

I apologize this Newsletter is late. I was at the PSA Photo Festival in Rapid City, SD over the last two weeks and have not had the time I thought I would to get this out. Reminder, the next meeting is November 13, 2021.

Member Image Sharing: Members are encouraged to submit several (up to five) images to share with the club for gentle critique or just show and tell. This is a great way to get suggestions for improving your images and developing your photographic skills. **During Covid, anyone who is willing to share may submit up to five (5) images.** We have a lot to cover this month so please keep it to 5 images.

Please email your images to Linnea Matthiesen at Trekkielaw@aol.com AT ANY TIME! When submitting your images, please change the file name to include your name as the first information in the file name and mention that this is for the image sharing in the email subject line. Also, resize your images so that the longest side is 1024 pixels, with a maximum file size of 1 mb. This will help to streamline the process of viewing member images.
